

Agree/Disagree

Complete Agreement

That's exactly what I think.
I'm with you 100%.
I agree with you 100 percent.
I couldn't agree with you more.
That's so true.
That's for sure.
(slang) Tell me about it.
You're absolutely right.
Absolutely.
That's exactly how I feel.
Exactly.
No doubt about it.
I am of the same opinion.
I am of the same opinion as ...
I completely/absolutely agree with ...
I simply must agree with that.
You've hit the nail on the head.
You took the words right out of my mouth.

(Semi) agreement

I can go along with that.
That's a useful suggestion.
You might have a point there.
You may be right.
It is only partly true that ...
Possibly.
I don't know about that.
Fair enough.

(Semi) disagreement

I can go along with that to some extent, however ...
You might be right on a couple of points, but overall ...
I tend to disagree.
That's not always true.
That's not always the case.
No, I'm not so sure about that.
Not necessarily.
I can agree with that only with reservations.
That is not necessarily so.
I'm not sure if I agree with you totally there.
It is not as simple as it seems.

Agree/Disagree

Absolute disagreement

With respect, you're completely mistaken on this one.

I'd say exact opposite.

I totally disagree.

I disagree completely.

(informal) You've got that wrong.

(informal) You're dead wrong.

(slang) No way.

I cannot share this/that view.

I am of a different opinion because ...

I cannot agree with this idea.

There is more to it than that.

I'm afraid I disagree with you.

I'm afraid I can't agree with you.

I couldn't disagree (with you) more.

What I object to is ...

(informal) You must be joking.

It's out of the question.
